

2018 Solo/Duet/Trio Showing at WBDC

Sunday, January 14th

All Dancers need to be on time for their group's warm-up time. Dancers will be split into groups between the studios to warm-up and run their dances independently. Parents are welcome to be in the lobby during the warm-up and please plan on being an audience during the performance time. Dancers/Families are welcome to come early or stay late to watch the alternate performance times. Please plan on staying through your whole performance time as it is as important to be an audience as a performer. Dancers are separated so there is a mix of ages and styles and to accommodate those dancers that have multiple performances.
