

2018 WBDC Picture Weekend

Friday, April 27th and Saturday, April 28th at WBDC

Order information and forms will be available in late March. All order forms must be filled out and submitted with payment at the start time of each individual picture. Payment for all pictures can be submitted with your dancer's **first** picture, but individual forms must be present with your dancer for each picture.

All dancers should plan to be ready in full hair, make-up, tights, shoes, and costume 30 minutes before their picture start time.

Individual pictures will be taken only if ordered; otherwise dancers will participate in their group shots only.

Competitive Company Solos, Duets, and Trios should email info@whitebeardancecenter.com by Saturday, April 14th and note if you are participating at the 4/27 4:30pm time slot or at the 4/28 4:30pm time slot. Dancers who do not purchase a solo, duet, or trio picture will not be in the book of the year that is put together by the photographer. An order for each time slot will be emailed out and added to the schedule the week of pictures.

All dancers are expected to participate in their group photos regardless if they are purchasing pictures.

If any dancer/family wishes to have sibling/cousin/friend pictures and are NOT in the same class, please email info@whitebeardancecenter.com by Saturday, April 14th. Please include in the email which dancers and in what costume you would like, and they will be scheduled in a convenient time slot. An adjusted schedule will be emailed out the week of pictures.
